Dear

Thanks to you, the Festival Sponsors and ticket outlets, the 5th Annual Lavender Film Festival was a rousing success!! Opening Night saw about 350 persons attending the reception and films, with about another 1,000 persons viewing the 8 remaining film programs on Saturday and Sunday. "Cravings" provided great food throughout the Festival, although time between some of the programs was a bit tight. We'll look at adjusting these times for next year's Festival.

Those completing the evaluation forms choose the feature "Callas Forever" as the top film of the Festival, followed by "Goldfish Memories," and "Eating Out." The short receiving "best of show" was "70," then a tie between "One Wedding" and "TV Dream Houses." "Straight in the Face" brought up 3rd place.

All in all, it appears as if everyone enjoyed themselves, and got to see some great films to boot!

Thanks again for your support of the Festival, and we hope you will participate next year too.

Sincerely,

Bob Armintor
Ticket Coordinator
